

Appl. No.: 10/803,285  
Docket No.: DB000982-004  
Amdt. Dated: 3/16/2007

**Amendments to the Drawings:**

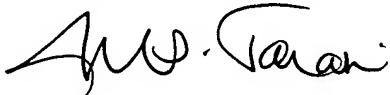

A replacement sheet for Figure 19 is submitted herewith. Figure 19 has been amended to correct a typographical error in the drawing, specifically,  $30^{\circ}30'0''$  has been changed to  $0^{\circ}30'0''$ .

**REMARKS**

In reviewing the pending application including the drawings, it was noted that Figure 19 contained a typographical error. Specifically, Figure 19 identifies  $30^{\circ}30'0''$  rather than  $0^{\circ}30'0''$ . Accordingly, a replacement drawing has been included herewith in which  $30^{\circ}30'0''$  has been replaced with  $0^{\circ}30'0''$ . Support for the correction of this typographical error through amendment can be found in the original informal drawing of Figure 19 as filed in U.S. application serial no. 10/224,256 of which the present application is a divisional. No new matter has been entered.

Entry of this amendment is respectfully requested to eliminate the inconsistency mentioned above.

Respectfully submitted,
